

Better **2** gether 2022 Harvest Festival

Want to show your support AND help ensure a fabulous Harvest Festival weekend? We've got the perfect opportunity for you!

Sponsor a Harvest Festival event and your business will be recognized on that event's posters, registrations forms (where applicable), social media posts and during the event. These sponsorships will pay for a portion of the cost of the event, but your business will get all of the recognition!

HOW IT WORKS:

1. Choose an event from the list below. Single-sponsor events are first come, first serve. If you want to be the sole sponsor of a multi-sponsor event, you can select & pay for all.
2. Fill out the sponsorship information.
3. Send us the form and your payment.
4. Then show up at the event so folks can offer their gratitude and be as involved in the event as you would like!

We love partnering with our investors for community events, and we appreciate support from our business community! Please call the Chamber with any questions, 308-537-3505.

HARVEST FESTIVAL SPONSORSHIP
